NOTE: Please do this LAST. We ask that you take this course last because it has to be taken within 180 days prior to filing your bankruptcy case.

Work at getting all the documents requested first. Then call us for your intake interview. We allow two hours for this meeting.

PLEASE DO NOT BRING MINOR CHILDREN TO THE INTAKE INTERVIEW.

IMPORTANT: DO NOT maintain accounts of any nature (checking, savings, money market, CDs, or ANY other) at a bank or other lending institution to which you owe money. Example: You bank at ABC bank and have a VISA card at ABC Bank. Since you will no longer pay the VISA, you should immediately close that account prior to any default on payments, then open an account at a bank where you have no loans of any kind. Contact us if you have any questions regarding this statement. **WARNING: Wells Fargo and Wachovia will freeze any money in your accounts EVEN IF you don't owe them money. If you have a Wells Fargo or Wachovia account, you should not maintain a balance in those accounts. I strongly recommend you (1) use banks to which you don't owe money, and (2) DO NOT use Wells Fargo or Wachovia.**

IMPORTANT BANKING INFORMATION

At the time you sign your bankruptcy, you must furnish our office with the exact bank balances as of that date. Make sure all checks for mortgages, groceries, car payments, etc., have cleared your account.
